Gluten-free, lactose-free, and no added sugar.

Dosage

1 gummy per day, preferably in the morning on an empty stomach

PARTNER WITH US

Unolck your potential as a Distributors

Exclusive Product Access

Become our **distributor** and gain priority access to our **innovative**, high-quality products for consumers, hospitals, and drugstores.

Marketing Support

Our **Marketing Department** can provide support in your **marketing strategy**, including digital promotional materials, videos, assets for company Social Media.

Comprehnsive Training

We can train your **Medical rep**, and **sales team** to promote the products with confidence and to get deeper knowledge of our portfolio.

Growth Opportunities

By distributing our products you will take **advantage** of **high profit** margins, as well as expanding your product line. Bonuses and discounts based on targets.

Do you need PRIVATE LABEL?

Services & Forms

Our dedicated **R&D** can develop and customize innovative formulations according to the clients and market needs in a short time, by selecting the **best quality raw material**:

- Packaging customization for private label
- Full-service Manufacturing.
- In-house R&D and formulation
- Quality control and testing

Different types of forms:

- Capsules
- Tablets
- Powder
- Softgels
- Gummies
- Drops
- Orosoluble Gel
- Cosmetics

THANK YOU

We believe in long-term, mutually profitable partnership which are nourished by innovation, respect, customer oriented and desire to be best in class.

We are actively seeking partners around the world who are in line with our values and are interested in distributing or out-licensing our ready-to-market finished products in their territories, or as co-marketing partnership.
